

Our Little Cubs Toddler Program is for toddlers from 12 to 20 months and shares a classroom with the infants. The two groups are separated by a small fence. The class size is limited to eight toddlers and there are three caregivers assigned to this group.

We specialize in expanding the world around our toddlers through play and an early preschool environment. We continue the sign language taught to the infants and introduce abc's, 123's, colors, shapes and animal sounds during our morning circle. We also introduce arts and crafts and spend lots of time learning to playing nicely, share with our friends and stay in our seats while eating.

To become part of our toddler class they must be able to walk unassisted and eat finger foods independently. We are close at hand while they are eating, but are unable to spoon feed one-on-one. We provide a morning and afternoon snack with juice. We eat lunch at 11:30 and take our nap from 12:00 til 2:30 in the Cubs class. Other daily activities include indoor/outdoor recreation, story and book time, music and dancing, free play with blocks, puzzles and classroom toys.

We send each child home with a daily report detailing meals, appetites, demeanor, naps and diaper changes. The caregivers can provide an individual report on how their day went at pick up time.

The classroom consists of a large play area and seating area with tables and chairs for class lessons and meals.

What you'll need to bring:

A lunch box with an ice pack, lunch, a sippy cup and a bib ~ A spare pacifier that we can keep at our center ~ A change of clothing including an undershirt and socks ~ Diapers, wipes, ointments and any necessary medications.

*All of these items should be marked with your child's name.*
